Subject:	Exit Support Workshop for Report 191 N6 Learners

Purpose:

The partnerships and linkages section is tasked with the function of managing the placement of students for their work-based learning. This student's placement is geared towards the attainment of Diplomas as full TVET qualifications. It is imperative to prepare the students for this all-important work-based learning. The section therefore commits itself on offering on - course support for exiting students. The sole purpose of the workshop is to make students ready for their placement by exposing them to some important work-related themes.

Deliberation

An exit support workshop has been organized according to the sessions tabulated below and will be covering the following areas: Development of CV, WIL processes & Work Ethics. N6 students from 4 Campuses are the target group of the workshop.
